

PRESS RELEASE

EIGHT FINALISTS ANNOUNCED FOR THE ROSA BARBA CASANOVAS INTERNATIONAL LANDSCAPE PRIZE 2025

High-level international jury selects the best contemporary landscape projects from around the world

BARCELONA, August 2025 – The 13th Barcelona International Biennial of Landscape Architecture officially announces the eight finalists for the prestigious Rosa Barba Casanovas International Landscape Prize 2025. Following an exhaustive selection process, the International Jury has chosen the projects that represent excellence and innovation in contemporary landscape architecture worldwide.

FINALISTS REPRESENT GLOBAL EXCELLENCE

The eight finalist projects, selected from submissions worldwide, demonstrate innovative and sustainable approaches to landscape design and planning. These works, developed between 2019 and 2024, reflect the most advanced trends in the discipline and offer creative solutions to contemporary environmental, social, and urban challenges.

The finalists can be viewed on the dedicated webpage:

A PRESTIGIOUS INTERNATIONAL AWARD

The Rosa Barba Casanovas International Landscape Prize, endowed with €15,000, is one of the most prestigious recognitions in the field of landscape architecture internationally. This award, supported by the Banc Sabadell Foundation, forms an integral part of the Barcelona International Biennial of Landscape Architecture, making the city the global epicenter of the discipline.

The prize will be awarded to a single project by an independent and internationally renowned jury. In case of a tie, the prize will be divided among the winners. The award will be presented during the ceremony taking place on November 21st, 2025.

THE BARCELONA BIENNIAL: A GLOBAL REFERENCE PLATFORM

The 13th Barcelona International Biennial of Landscape Architecture will be held from November 17-21, 2025, bringing together professionals, academics, and students from around the world. During these five days, Barcelona will become the most important meeting point for the international landscape architecture community.

Featured Program:

- November 17-18: Collateral events at La Fira Congress Center
- November 19-21: Main symposium at Palau de la Música
- November 19-20: Presentation of finalist projects
- November 21: Award ceremony for both the Rosa Barba Prize and the Ribas Piera Prize

INTERNATIONAL IMPACT AND VISIBILITY

All projects selected by the International Jury will enjoy extensive dissemination and recognition:

- Publication in the official Biennial catalogue
- Exhibition dedicated to the Rosa Barba Prize
- Presentation on the website under the Biennial ATLAS section
- Public presentation during the symposium by the finalists

ABOUT THE BARCELONA INTERNATIONAL BIENNIAL OF LANDSCAPE ARCHITECTURE

Established as a global reference platform for landscape architecture discourse, the Barcelona International Biennial of Landscape Architecture is a non-profit organization that brings together professionals, academics, and students from around the world to share knowledge, celebrate innovation, and shape the future of landscape planning and design.

The quality and diversity of submissions received from around the world continue to demonstrate the vitality and innovation within the landscape architecture profession, consolidating Barcelona as an international reference in this discipline.
